Hi, @PennyRed. What does "The moral basis for Israel's persecution of the Palestinian people is eroding fast" mean? [\\_newstatesman.com/world-affairs/](http://newstatesman.com/world-affairs/)

.@OLAASM can I guess what's going to happen now? You're going to make it look like I think there IS a moral basis for Israel's actions.

So I'm asking you to clarify it, @PennyRed. Since you're the person who gets paid to write words.

.@OLAASM and that's the point. It's not about the issues, not about Gaza, for you. It's about proving you're the purest.

.@OLAASM after you've run through all your usual boring lines of attack, go and look in the mirror. Look into it for a long time.

I don't often stand in front of a mirror asking myself if I'm the savior of leftism, @PennyRed. Do you do that? Seems a little narcissistic.

@PennyRed @OLAASM holy shit, challenging idiotic phrasing in bad NS columns is why the left is in trouble?

@joolsd @OLAASM @PennyRed that's a pretty good summation in microcosm, yep. Tedious and time consuming procrastination sums it up.

@joolsd @OLAASM @PennyRed Maybe not adding me to your list of troll-targets? I'm not suggesting your making my point for me or anything...

@jamesgraham apologies for the tone. but do you not see the problem in just letting people clearly branded Radical in the media write>

[Reply](#) [Retweet](#) [Favorite](#) [More](#)

**joolsd** @joolsd · Jul 29

@jamesgraham just anything at all without challenging them? as if the presence of this radical brand in the media sphere is good enough?

@jamesgraham also fwiw im not sure times of no criticism of leftist "leaders" correlate too well with times of leftist success, historically

@PennyRed @OLAASM it's not like factionalism in the left is a new problem though. Or should I be talking to the Judean People's Front?

**[OAKLAND]ASM** @OLAASM · Jul 31

@AudioFidget @PennyRed yes, the reason the left is "in trouble" is that tiny twitter accounts ask celebrity-leftists to clarify word saladry

**[OAKLAND]ASM** @OLAASM · Jul 31

@AudioFidget @PennyRed we'll never "win" unless we stop asking power-promoted mouthpieces to answer for their soft zionism-laden fuckery
